Re: Freedom of Information Act Request EPA-R9-2014-003855

Dear Mr. Quester:

This is in response to your Freedom of Information Act request regarding:

Current Risk Management Plans (RMP) for all facilities located in the State of Arizona and a separate record explaining the fields within each RMP dataset.

Information responsive to your request is enclosed. Please note that the Risk Management Plans do not include the Offsite Consequence Analysis (OCA). If you would like to review the OCA information for these facilities, you will need to schedule a Federal Reading Room appointment. Additional information on Federal Reading Rooms, including locations and contact information, can be found at:
<http://www.epa.gov/oem/content/rmp/readingroom.htm>

If you have any questions, please contact Angie Proboszcz of this office at 415-972-3077.

Sincerely,

Kathryn Lawrence
